- The COLLECT assigned Mnemonic for a device should be placed in the <Authentication>/<Mnemonic> field in the ConnectCIC header.

Security Requirements:

To be compliant with Connecticut's security requirements all personnel who will potentially have access to COLLECT data will need to be fingerprinted filling out both FBI and Connecticut fingerprint cards. These cards need to be obtained from your sponsor agency. There is a fee per person per card; currently the fee is \$24 for each FBI card and \$25 for each Connecticut card. Each person will not need to be fingerprinted per agency just once prior to initial Connecticut installation and as new personnel are added to your company. Detailed information regarding their security policies and documents are provided on the COLLECT Website. Obtaining access to this Website can be requested by sending an email to Joe Houde (Joe.Houde@ct.gov).
