

HI\_HCJDC\_OFML — Query Guide (build v4.20)

Pick the row for what you want to **search by** and fill every **Required** field — **Optional** ones only narrow it. Values in (parentheses) are already on the form. An **out-of-state** search requires a State; leave State blank to search in-state.

Vehicle

Vehicle Registration

| Search by                                                        | Required fields                                 | Optional fields              |
|------------------------------------------------------------------|-------------------------------------------------|------------------------------|
| 1. License Plate Number (out-of-state) <span>RQ</span>           | License Plate Number, Plate Type, Plate Year    | NCIC Image (Y), State        |
